In God's re - cov - - ery, we don't know so much.

2. Loudly shouting, "Jesus!" Oh, it really feeds us!
We have found where Jesus is—He's in the hungry mouth.
Not religious nodding, but recovered shouting—
In God's recovery, we don't know so much.

3. Chewing, chewing, chewing, not our outward doing,
Cease from all your working now, begin again to EAT.
Feasting, feasting, feasting, drop the old dead teachings—
In God's recovery, we just know to EAT.
