2. Weak for years and maimed,
Useless vessel I remained;
Though within I knew I strong should be.
All at once, grace came;
And with joy I now proclaim:
Spirit's manifest in me!

3. Of the Spirit's might
I can testify aright,
For He's caused my heart enlarged to be.
I've been freed from pride,
From sin's habits purified:
Spirit's manifest in me.

4. Now I've certainty
I the face of God can see;
Fully cleansed, I'm shining radiantly.
In my spirit, He's
All-sufficient grace to me:
Spirit's manifest in me.
