2. For God's dispensing, we have been,
Made into vessels open to Him;
His element is wrought in us,
Making us living stones, corporately;
Being saved from self, the flesh and its will,
It's no longer I, but Christ lives in me;
Members of the Body, built up in love,
Joined to be one, for Him corporately.

3. Lord, as a living sacrifice,
We will be perfected by Thee
To build Thy Body, seek increase,
Lord, the commission now we receive
In spirit, soul, we're one for His goal,
The lampstands to spread His recovery,
A local being, a global seeing,
Gospel in hand, the kingdom we'll preach!
