

Remember your Creator

Encouragement — For Remembering the Creator

(Guitar: Capo 1)

The musical score is written for guitar with a capo at the first fret. It consists of four staves of music in a 3/4 time signature, with a key signature of two flats (B-flat and E-flat). The melody is written on a treble clef staff. The lyrics are written below the notes. Chords are indicated by letters above the notes. The score is divided into four systems, with line numbers 1, 4, 8, and 12 marking the beginning of each system. The first system (lines 1-4) contains the first line of the verse. The second system (lines 4-8) contains the second line of the verse. The third system (lines 8-12) contains the chorus, which is marked with a box labeled 'Chorus'. The fourth system (lines 12-16) contains the final line of the verse. The lyrics are: '1. Re - mem - ber your Cre - a - tor While you are young, As a child, know the Scrip - tures And seek out God's truth. (C) Oh, re - mem - ber your Cre - a - tor While you are young, And let Him have a way In the days of your youth.'

2. Remember your Creator

While you are young.
To remember our Creator
Means to love Him.
The Lord is the Creator,
Our source of life.
In the days of our youth
We would love only Him.

3. We treasure the Word of God

While we are young,
As a child, we may read it
And read it again.
Yes, the Scriptures are able
To make us wise,
Wise unto salvation
In Jesus the Lord.

4. We come to the light

When we come to God's Word,
How the light brightly shines
When we really love God!
As we love Him and seek Him,
God opens His Word,
So that God's light shines brightly
In His holy Word.

5. We like to spend time

In the Word of our God,
To be faithful to read it
With diligent care.
Yes, we read and we pray,
And we pray what we read—
In the days of our youth,
We would open God's Word.

6. Remember your Creator

While you are young,
From a child, know the Scriptures
And seek out God's truth.
Oh, remember your Creator
All your life long.
And let HIM have a way
All your days on the earth.
