con -	science says,	"no!" My	con - scie	nce says,	"no!"	

- 2. My mother baked some cookies, She said I could have two.But when she said I could have two, Guess what I wanted to do (take 3!)
- 3. My baseball broke a window, But no one saw it hit. I tried so hard to tell myself, This was something I shouldn't admit.

But my conscience says, "yes!" My conscience says, "yes!" It's always better to confess. My conscience says, "yes!" My conscience says, "yes!" My conscience says, "yes!"

- 4. I saw my friend in trouble, He asked if I would help. But I didn't want to bother, I said something to do for myself. But my conscience says, "yes!"
 - My conscience says, "yes!" My conscience says, "yes, you, yes, yes!" My conscience says, "yes!" My conscience says, "yes!"
