No one has a bet - ter job than mine.

2. I am a mother who loves you,  
Caring and loving is what I do,  
Teaching you how to behave,  
Answering God for the child He gave.

It's my job  
And I like it fine.  
No one has a better job than mine.

3. Brothers and sisters in a row  
Arranged by God so long ago.  
Loving, helping day by day  
Cooperation is the way.

Loving God,  
And my brothers too.  
For my family, Lord, I do thank you.

4. I am a friend who spends my time  
Talking with you, I'm glad you're mine  
In the church, at school or play  
Friendly and loyal in every way.

Choosing who,  
Our friends should be.  
A friend of God is a good friend for me.
