

# I Love God with All My Heart

Gospel — Love

*(Guitar: Capo 1)*

D            Bm            G                    A                    D                    Bm                    G                    A  
I love God                    with all my heart And with all my soul.                    He is the One I love

D            Bm            G                    A                    D                    Bm                    G                    A  
so much.                    I love the Lord with all my heart                    And ev - ery part of my soul.

D            Bm            G                    A                    D                    Bm                    G                    A  
I love you, Lord Je - sus,                    With all my heart and with all                    my soul.

D            Bm            G                    A                    D                    Bm                    G                    A  
You are the on - ly One in                    the u - ni -                    - verse For me,                    dear Lord.

D            Bm            G                    A                    D                    Bm                    G                    A  
I love the Lord and He loves                    me—this I know. I love the Bi - ble— O how                    it helps me grow.

D                    Bm                    G                                    A                                    D                                    Bm  
I love the meet - ings— with all                    the chil -                    - dren Sing - ing, shar - ing,

G                    A                                    D                                    Bm                                    G                                    A  
lov - ing and car -                    -                    ing. I love God...
