Gospel — God's Creation

(Guitar: Capo 3)

1. The at - mo - sphere, the at - mo - sphere, How
ver - y dear the at - mo - sphere!
The fra - grant flow - ers bring us cheer!
Lord, thank You for the at - mo - sphere!

2. The atmosphere, the atmosphere!
With clouds that fill the troposphere;
They shield and warm us every year—
Lord, thank You for the atmosphere!
3. The atmosphere, the atmosphere!
The birds can fly; the blooms appear;
We speak and hear—it's very clear!
Lord, thank You for the atmosphere!
4. The A-T-M-O-S-P-H-E-R-E,
That spells atmosphere,
Without it we could not live here!
Lord, thank You for the atmosphere!
