Cows Have Calves

Gospel — God's Creation

1. Cows have calves, and Hors-es have a foal or two, Bears have cudd-ly ba - by cubs; Jo - eys come from kan-garoos.

Deer have fawns, and Sheep have fluf - fy lit - tle lambs, Each accord - ing to its kind.

Chorus

(C) Each accord - ing to its kind! Each accord - ing to its kind! He -

red - i - ty is or - der-ly ge-net - i-c'lly; Each accord - ing to its kind!

2. Skunks aren't born with
Wings like a butterfly,
Carrot seeds don't grow to be
Sequoias reaching to the sky!
Plants make plants and
Animals make animals:
Each according to its kind!
