

I Am So Glad that God Made My Skin

Gospel — God's Creation

1. I am so glad that God made my skin,
It holds me in. It's not too thin.
Skin that pro-TECTS my shin makes me grin.
Thank You, Lord, for my skin!

The musical score is written for two staves in 6/8 time, key of D major (two sharps). The first staff contains the first four measures of the melody, with lyrics '1. I am so glad that God made my skin, It holds me in. It's not too thin.' The second staff continues the melody from measure 5, with lyrics 'Skin that pro-TECTS my shin makes me grin. Thank You, Lord, for my skin!'. Chord symbols E, A, B7, and E are placed above the notes in measures 1, 2, 3, 4, 5, and 6 respectively.

2. I am so glad that God made my hair,
My head's growing hair! Just look right up there!
For cov'ring and warmth—it's God's loving care;
Thank You, Lord, for my hair!
3. We are so glad that God made our knees;
Bending our knees, we can climb trees!
Running and jumping with knees is a breeze!
Thank You, Lord, for our knees!
4. Aren't you so glad that God made your thumb,
To pick up a crumb and also a plum!
On your guitar to pick or to strum—
Thank You, Lord, for our thumbs!
