

# 儆醒阿黑夜已深

鼓勵—儆醒

C486

(吉他: Capo 3)

1. 唉醒阿，黑夜已深！ 唉醒，莫戀紅塵；  
5                   D                   G                   A                   A<sup>7</sup>                   D  
                  D                   D                   D                   A<sup>7</sup>                   D  
                  D                   D                   D                   D  
                  D                   D                   D                   D  
                  D                   D                   D                   D  
                  D                   D                   D                   D

9                   A                   A<sup>7</sup>                   D                   E<sup>7</sup>                   A                   A<sup>7</sup>  
                  A                   A<sup>7</sup>                   D                   E<sup>7</sup>                   A                   A<sup>7</sup>

13                  D                   G                   A<sup>7</sup>                   D                   G                   D  
                  D                   G                   A<sup>7</sup>                   D                   G                   D

## 2. 唉醒阿，起來事奉！

時間已到末點；  
唉醒阿，前來作工！  
年日已將殘。  
唉醒阿，穿上軍裝！  
唉醒，靈要剛強；  
唉醒阿，將魔抵擋！  
唉醒，心要壯。

## 3. 唉醒阿，等候救主！

晨星就要出現；  
唉醒阿，追求國度！  
榮耀在眼前。  
唉醒阿，務要做醒！  
唉醒，等待主來！  
唉醒阿，儆醒莫停！  
儆醒到主來！
