- 2. There is no music adequate
  Thy grace in full to praise,
  Nor there a heart which could enjoy
  Thy love in every phase.
- 3. Yet, what delights our heart the most Is not Thy love, Thy grace; But it is Thine own loving Self That satisfies always.
- 4. Oh, Thou art fairer than the fair, And sweeter than the sweet; Beside Thee, none in heaven or earth Our heart's desire could meet.
