- 2. Verily God, yet become truly human,

  Lower than angels to die in our stead;

  How has that long promised "Seed of the woman"
  - 3. How didst Thou humble Thyself to be taken. Led by Thy creatures and nailed to the cross. Hated of men, and of God too forsaken, Shunning not darkness, the curse, and the loss.

Trod on the serpent and bruised his head!

4. How hast Thou triumphed, and triumphed with glory, Battled death's forces, rolled back every wave! Can we refrain then from telling the story? Lord, Thou art Victor o'er death and the grave.
