2. Lord, since Thou art the Alpha, 4. Since Thou art the Beginning, All things commenced of Thee; Thou hast preceded all; And as the sole Omega, And since Thou art the Ending, All things will end in Thee; Thou wilt inherit all. As God's full Alphabet, Lord, Thou, the unique Beginning, All is of Thee composed; Didst all originate; Since Thou art all the letters, Thou, as the only Ending, All is in Thee enclosed. Wilt all things terminate. **3.** As First of all the creatures, 5. O Lord, how we adore Thee Thou art the Head of all; And treasure Thee with love; As Last in God's creation, As Alpha and Omega, Thou art the close of all. Thou art all things above. As First of all the creatures, We praise Thee, the Beginning, All things by Thee consist; The very First we call; As Last in God's creation, We worship Thee, the Ending, All things for Thee subsist. The only Last of all.
