(Guitar)

1. Ev - ery thread I wind this day, Ev - ery foot - step on life's way,
Ev - ery clod I shall un - earth, Ev - ery task, what - e'er its worth:
On - ly for God's glo - ry liv - ing, Bless - ing, praise and hon - or giv - ing!

2. All the burdens of the day,
All the words which I shall say,
All the works my God may send,
All the hours in rest I spend:
Ever for His glory living,
Blessing, praise and honor giving!
3. Every blood-drop in the heart,
Every grief and aching smart,
Every bitter pulse of pain,
Every hour of joy again:
Only for God's glory living,
Blessing, praise and honor giving!
4. As I take my daily food,
Greet another on life's road,
Pluck a flower beside the way,
Stoop to lift a wisp of hay:
Ever for God's glory living,
Blessing, praise and honor giving!
5. All, from deeds of little worth,
To the greatest things on earth;
Mine to build some world to be,
Or to lie and gaze on Thee:
For Thy glory daily living,
Blessing, praise and honor giving!
