**2.** He has entered! He has entered!

Vanish every doubt and sin;  
He has taken full possession,  
He is Lord of all within.

**3.** Long at my poor heart He tarried,

Knocking with His wounded hand;  
Wide at last to Him I opened,  
Yielding all to His command.

**4.** He has entered! He has entered!

Every sorrow now must flee;  
Where He reigns as King and Master,  
There no grief can ever be.
