2. And Thou, blest vision of my soul,
Hast made my broken nature whole;
Hast purified my base desires,
And kindled passion's holiest fires;
My nature Thou hast lifted up,
And filled me with a glorious hope.

3. Nearer and dearer still to me,
Thou living, loving Savior be;
Brighter the vision of Thy face,
More charming still Thy words of grace;
So, life shall be transformed to love,
Thy grace and mercy more to prove.
