2. God hath us regenerated  
 In our spirit with His life;  
 But He must transform us further—  
 In our soul by His own life.
3. Spreading outward from our spirit  
 Doth the Lord transform our soul,  
 By the inward parts renewing,  
 Till within His full control.
4. By the power of His Spirit  
 In His pattern He transforms;  
 From His glory to His glory  
 To His image He conforms.
5. He transforms, all sanctifying,  
 Till like Him we are matured;  
 He transforms, our soul possessing,  
 Till His stature is secured.
