2. In Jesus' name we must declare
That we shall overcome the foe;
We draw authority from Him
The serpent's head to crush below.

3. No matter what, thou mountain high,
In heav'n or earth, where'er thou art,
At any cost we'll level thee,
In Jesus' name thou must depart!

4. Faith orders thee "Remove from here,
And be thou cast into the sea!"
We should, we must, we can, we will,
Fulfill God's purpose faithfully.
