Hal - le - lu - jah! In the land! Christ
is the land, Christ is the land, O
praise the Lord, He is the land! He
is the milk and hon - ey, too; The grain, the oil, the
wine so new. We're in the land! We're in the land! O

2. This land includes so many things:

Wheat, barley, vines, deep-flowing springs,
Fig trees and never-failing bread—
O what a land before us spread!

To have the produce and abound
We daily labor on the ground;
Then to the meetings we will bring
The topmost Christ, our offering!
