flow through man to - day,                    And now He flows with - in                    us!

2. In the beginning we can see,  
God as a flowing river,  
The river to convey the tree,  
Himself as life deliver.  
And at the end the same,  
The river doth remain,  
God in the Lamb doth flow,  
The tree prevails to grow,  
And God flows on forever.

3. God flowed Himself into a man,  
The man we call Christ Jesus.  
He gave up His own life for man  
And God's own life releases.  
Though Satan did his best  
To put God's flow to rest—  
He had Him crucified  
And cruelly pierced His side—  
But out came blood and water!

4. The blood and water flowed from Him,  
In streams of pure salvation.  
The blood brings cleansing from all sin;  
Water, regeneration.  
And now the Spirit flows,  
Brings God where'er He goes.  
All he could do, the foe,  
Was just release the flow.  
And God just keeps on flowing.
