us! Thus we're o - pen for God's deal - ings, And the cloud descends on us.

2. With the cloud we have His presence  
Sweetly hov'ring over us;  
So enveloped by His nearness;  
In the Lord we put our trust.  
But the cloud brings with it fire  
To consume our selfish lusts;  
That as ashes something higher  
May be added into us.

3. Then from out the flashing fire  
Comes th' electrum glowing bright.  
God as gold and man as silver  
Now are mingled. What a sight!  
This bright metal, O Lord Jesus,  
Is Thyself, Lamb-God sublime.  
O Lord, work Thyself within us  
Till th' electrum in us shines.

4. By our passing through this cycle,  
Living creatures we become  
To express the life of Jesus;  
He with whom we've been made one.  
We express Him as a human,  
As a man so good and fine;  
Balanced, normal, never striving;  
Fully human, yet divine.

5. We express Him as a lion  
Conquering every enemy;  
As an ox obedient, lowly,  
Faithful in His ministry.  
We express Him as an eagle,  
So transcendent, soaring high;  
Never held by fear or flatter,  
He above it all does fly.

6. Hallelujah! What a figure  
Of the way God deals with us!  
From the wind, cloud, fire, electrum,  
To the creatures glorious:  
As the man, the ox and lion,  
As the eagle—all the four  
Will be our complete expression  
As we eat Him more and more.
