- 2. We are one in the spirit, yet it goes deeper still,
  For this oneness is spreading to our mind, emotion, will,
  As we all stand together that His purpose He fulfill.
- **3.** We are one in the spirit, we are one actually, Not in talk nor in theory, but in fact, practically, In the churches we're all enjoying this reality.
- **4.** We are one in the spirit in each locality,

  For the Lord's own intention we would consecrated be,

  That the oneness He's given us the whole world may see.
