(Guitar: Capo 1)

1. Praise the Lord, we're in the Lord's re - cov - ery—
Home at last, here in the church.
Praise the Lord, we're in the new cre - a - tion—
One new man, the end of our search. (the end of our search)
With the saints, build-ed, co - or - di - nat - ed;
No more I, for - ev - er "we."
We are one in the Son, stand-ing here till He
comes; Yes, noth-ing can stop our God till He's done!
