His expression on the earth today;

The church is Christ—

His expression on the earth today.

This corporate man

Fulfills God's plan,

That this man may have dominion over all the earth.

It's the new and real family life;

The local church—

It's the new and real family life.

We have the way

To live today—

Eating, drinking Christ we're built up as the local church.

We should go and tell the world of this.
