- 2. The love for all the brothers, in our midst is found, But in these days our love must increase and abound. The Lord direct our hearts into the love of God And prepare us in full for the day of the Lord.
- **3.** Our spirit, soul, and body wholly sanctified— Our faithful Lord will do it to prepare His Bride While we amen His voice in matters great or small, That we all may be ready to hear Jesus' call.
- 4. The Lord Himself shall come, and we shall be with Him— Oh, what a glorious hope! Come quickly, Lord, Amen. We'd ever watchful be to see Thee in the air And as sons of the day for that meeting prepare.
