meet - ing, What a meet-ing an - y mo - ment we will share!

Chorus

2. When to all who love His coming He shall speak
the word, "Arise!"
Oh, how blessed for that summons to be free!
With what rapture we shall greet Him as we
join Him in the skies—
What a meeting, what a meeting that will be!

3. Now in all the local churches we are meeting
day by day
And expecting any moment Christ to see,
But when Jesus comes the meeting starts that
ne'er will pass away—
What a meeting, what a meeting that will be!

4. Even now while we are meeting, Lord, we hope
to see Thy face
And forever without ceasing be with Thee.
Then we'll just go right on meeting in another
meeting place—
What a meeting, what a meeting this will be!
