Just call	with us,	“Lord Je - sus,”	It's the great - est	joy	on earth,		
C	Am	F	C	A ⁷	D ⁷	G ⁷	C
And then Christ	will come	in - to you,	And you'll have an - oth - er	birth.			

2. Just call with us, “Lord Jesus,”
 He will surely set you free,
 If your heart is far, far from Him,
 Wherever you may be.
 We simply call upon Him,
 No matter where we are,
 And calling—thus, He enters,
 Oh, He's never very far.

3. Just call upon our Savior,
 Sure He'll hear you every time.
 Lean your weary head upon Him
 And rest in sweet recline.
 For He is our strong fortress,
 Our peace, our joy, our rest.
 When we taste the grace of Jesus,
 Sure we're tasting the very best.

4. The best is just Himself now,
 And Himself He freely gave.
 So let's open up to Him now,
 And by His life be saved.
 And when He comes to meet us,
 As His bride we'll ready be.
 If today He grows within us,
 We shall then His glory see.
