Milk and honey without money—

God has given unto us!  
Vines and fig trees, all our hearts please—  
Rich supplies, and all for us.

4. What a good land, what a rich land,  
God has given unto us!  
Grain and oil, for our toil,  
What a prospect, glorious!

5. Let us labor, let us labor  
On the land He's given us,  
Labor hourly, labor pow'rfully,  
Reap the produce glorious!

6. In the meetings, in the meetings,  
At the feast so glorious,  
With a full heart, share the best part  
Of the harvest gained by us.

7. Hallelujah, hallelujah,  
For the land God's given us!  
What employment, what enjoyment!  
Hallelujah, glorious!
