2. Come on, come on, let's take this Land for aye;
Come on, let's walk in Christ today;
Now we must take the stand that we will work the Land,
That by the increase grown we'll make His coming known.

3. We'll see, we'll see, Jesus so rich, so sweet,
So full the church becomes complete.
Reality we'll know, and God true worship show.
His Person then will be the Thrilling One we see.
