Christ of glo-rious splen - dor! Christ, transcen-dent trea - sure! We break our flask al - a - bas - ter;

Pour our all com-plete - ly on Him ab - so - lute - ly, Waste on Him ut - ter - ly;

The burnt off'r-ing's fire on the al - tar must burn, and can - not grow dim,

Till we all to ash - es are re - duced, Till we're New Je - ru - sa - lem.

Now in tents we're liv - ing out the cor-p'rate God-man life, And the king-dom train - ing re - ceive;

To th'e-con-'my of the full-ness of the times, Standing as an an - ti - tes - ti - mo - ny.

We must o - pen up our homes, plant church trees ev - erywhere, Bless-ing to all na - tions be - come.

We must o - pen up our homes, plant church trees ev - erywhere, Bless-ing to all na - tions be - come.
