2. Lord, to be Your testimony
 We a costly price must pay.
 So, O Lord, for this You've shown us
 We must flee this evil age.
 Midst this crooked generation,
 Lord, You've called some for Your own,
 To belong to You completely—
 Your expression fully shown.

3. Eastern! Western! Hallelujah!
 Both are nullified in us.
 We are for Your testimony
 From the heavens, glorious!
 O Lord! Amen! Hallelujah!
 From our innermost we say.
 Lord, to be Your testimony,
 We will take the mingled way.

4. Lord, we praise You for that woman,
 Shining Bride of Christ to be.
 From her, You will take Your man-child
 To defeat Your enemy.
 Lord, we'll be those overcomers
 To protest these evil days,
 Those who've left the world, religion—
 Shining in this crooked age.

5. Lord, as You express the Father,
 So the church expresses You.
 Since we've seen the local churches,
 Nothing else could ever do.
 Lord, we praise You for this vision.
 We could never be the same.
 Hallelujah for the churches!
 All the glory to Your Name.
