2. Drop the past—

The Lord is moving much too fast.
 Drop religion,
 And leave the world behind.
 Christ is real;
 He's doing something new on earth—
 Hallelujah! It's God's recovery.

3. Sevenfold,

The churches are the lampstands gold;
 Local churches,
 With Jesus in their midst;
 Seven lamps
 To burn in each locality—
 Hallelujah! It's God's recovery.

4. Christ prevails!

He's formed the churches mightily.
 We are standing
 In Jesus' victory.
 It is done;
 He's overcome the enemy—
 Hallelujah! It's God's recovery.

5. The supply

Of Jesus through the churches comes.
 Hallelujah!
 The churches move as one.
 This one flow
 Is Christ in His reality.
 Hallelujah! It's God's recovery.

6. In the church

We've seen the vision of the Lord.
 We, the churches,
 Would stand in one accord.
 Always move,
 But never independently.
 Hallelujah! It's God's recovery.
