done. **Chorus** (C) Lord, I call— build me now With the saints; O Lord, but
how? Pray - ing al - ways, in the spir - it With the Word. A - men,
Lord! 4. There is a
way that we can know the Life of Je - sus; And by this life we'll be built up as one for His home;
Just turn to Him and take His Word by prayer, In your spir - it dai - ly pray His Word,
pray His Word.

2. Christ as Life—wondrous Person;
All His riches, now our full supply!
For the building, Life's our need:
Life will build us—the enemy will fly.
3. Let us rise—with our weapon;
Give ourselves for the building of the Lord:
Slay contention, kill opinions:
This our weapon—the Spirit's living sword.
4. There is a way that we can know the Life of Jesus;
And by this life we'll be built up as one for His home;
Just turn to Him and take His Word by prayer,
In your spirit daily pray His Word, pray His Word.
