The Church — As Our Home and Rest

(Guitar)

1. Aren't you glad you're now in the church?  
What a joy, you've ended your search.  
Praise the Lord, it's so glorious;  
Je - sus Christ is liv - ing in us.

2. We're no longer free to roam;  
Christ has led us to our home.  
Brothers and sisters, we've come, now we're one:  
Here the real family life has begun.
3. We have come to God's chosen place;  
It is here that we see His face.  
This is where He's put His name;  
Once you're here you'll not be the same.
4. Hallelujah! We've lost our choice,  
Since the day that we heard His voice.  
Deep within we heard the "Amen."  
"This is My choice—you'll not choose again!"
