

We have a joyful song to sing

The Church — As Our Home and Rest

6708

(Guitar: Capo 3)

1. We have a joy - ful song to sing,
We're in the dwell - ing of the King!
We've seen the vi - sion, We've heard His voice, Now we
meet as the church of His choice.

2. We hear a mighty thunder sound—
Saints meeting on the local ground.
Hallelujahs
With joy we raise,
And our meetings are filled with His praise.
3. No longer wandering afar,
Searching and seeking for the star,
Hallelujah,
The light shines bright!
We are home, we are home, we are home!
