 worship this way. We en - joy the re - al - i - ty of Christ as all, And leave all of the shadows when on  
 Je - sus we call. **Chorus** It's a new, liv - ing meeting In a new, liv - ing way. At the beaches, the schools, the parks—Wher -  
 ev - er we may. We are slaying the ord'nances, re - li - gion too. Hal - le - lujah! The Spirit of the Lord's break - ing through.

2. We don't care for religion, we don't care for the forms,  
 We don't care for opinions, regulations or norms.  
 We don't care for the doctrines that will kill us dead—  
 Hallelujah! We're free in our spirit instead!
3. It's a new, living meeting, no more oldness we'll bear.  
 In the singing, pray-reading it is Christ that we share.  
 No more old-fashioned meetings in the old, old way.  
 Hallelujah! The Lord is doing new things today!
