Gospel — Persuasion

1. I'm so full of joy, I want to tell you, friend, At last I'm gen - u - ine - ly
 free! My sad - ness, suffrings, sorrows all have fled Since on the Lord I've be -
 lieved! He is not some creed I have to fol - low, Nor some law that lays de - mands on
 me; He's God's Son, He's Je - sus, our sal - va - tion, Flows love and life a - bundant -
 ly. He's un - locked the prison, set the cap - tives free, From death to life de - livered me.

2. Now I soar the heavens as on eagles' wings,
 For Jesus is my freedom true.
 So vast this joy! Each day my heart must sing:
 "I have enough; I have You!"
 Friend, where can you find another like Him?
 In His love He's waited for so long!
 While His loving heart is open, wouldn't you
 Come forward, trust Him with your all?
 In the freedom of the glory of God's sons
 Your heart will sing a glad new song!
