

# Wait on Jehovah, our strength to restore

Preaching of the Gospel — General

6874

(Guitar)

1. Wait on Je - ho - vah, our strength to res-tore; Spread ea-gles' wings; rise a - bove the shore.  
By re - sur - rec - tion, to heav - en - lies soar; Run with-out wea - ry - ing; faint no more.  
Up! To the heav-ens! Leave all be - hind us! Earth's bro - ken fet - ters no more can bind us!  
Seek Christ's com - mis-sion; press on-ward with Him; De-clare God's kingdom to all mankind!

**Chorus**  
(C) God's great ea - gle, migh - ty, soar - ing,  
Reigns ev - er - more as Zi - on with the Lord.

Chords: C, F, G, D, Am, D7, G7, C

2. Care for God's interests and not for our own;  
Let Christ replace us and take the throne.  
Oneness with Christ's like an eagle in flight;  
Be overcomers; prevail with might.  
Bring full salvation to every nation;  
New church trees planting, spread by migration.  
Be the Lord's witness; follow the Spirit;  
Shine, golden lampstands, kingdom to hail!
