2. Could it be He could not forgive  
My sins so great, so numerous?  
Could His dear blood be limited  
In scope and in effectiveness?
3. Rejoice! For Jesus rose again  
Not harmed, but further glorified;  
Though He passed through the dark domain,  
All its effect He nullified.
4. God's righteousness is satisfied  
By Christ's return, this fact's made known.  
From God's great love, His mercy's shown,  
The Lord's redeeming work is done.
5. Redemption's work God recognized,  
Gave proof by resurrecting Christ;  
Oh, Hallelujah! No more stain!  
Hallelujah! Full pardon gained!
