

God's living water is flowing
Fulness of the Spirit — As the Living Water

8205

1. God's liv - ing wa - ter is flow - ing Forth from His tem - ple di - vine,
 Through ho - ly en - trance now pass - ing O - ver its bound - a - ry line.

Chorus
 (C) God's liv - ing wa - ter, Freshness wher - ev - er it goes;
 Death now it swal - lows for - ev - er, With life a - bun - dant o'er - flows.

2. God's living water flows freely;
 East for God's glory it flows;
 This is of utmost importance:
 All on the altar must go!

3. God's living water is boundless;
 Everything's measured by God.
 All things become His possession,
 Judged by His measuring rod.

4. God's living water, o'erflowing,
 Swells to a great rushing tide,
 Flowing till man can do nothing
 But in God's grace must abide.
