2. Spirit, cloud so great, Tent of Meeting shades,
Covers and supplies bounteous grace.
Us He sanctifies with His very life,
Making us His spir'tual dwelling place.
3. All-consuming fire purges us entire,
Burns all hidden spots and purifies;
Burns all filth away, burns all common stains,
And through this the Spirit deifies.
4. God's electrum shines in this heart of mine;
Thus, His life divine now I possess.
Human with divine—mingled, one to shine,
That through me His life I can express.
