- 2. My sickness laid on Jesus,
 The lash for me endured;
 My weaknesses He carried
 That I be fully cured.
 My misery on Jesus,
 He bore it all for me;
 My sorrow He abolished
 And gave me joy and peace.
- 3. I now have rest in Jesus,
 My King of Righteousness;
 His death met God's demand, and
 His blood my conscience cleansed.
 Now all my trust's in Jesus,
 My strength for ev'ry hour;
 His living shows God's riches,
 His life in me empow'rs.

4. I give my heart to Jesus,
That there He'd be enthroned
To be my Lord and life, and
In me to make His home.
According to His pattern
I hope to live each day;
His attitude and actions
May He through me display!
