**Chorus**  
(C) All - suf - fi - cient grace! Nev - er pow - er - less!  
It is Christ who lives in me, In His ex - haust - less - ness.

2. This grace empow'rs my feet  
On pathways heavenly;  
His grace, abundant, timely, sweet,  
Has never failed me.

3. This grace, what can surpass?  
'Tis God, with man to be,  
God manifested in the flesh,  
God living now in me.

I am what I am  
By God's grace today!  
Grace is manifest in me,  
This God-man's share for aye.
