For	the	glo -	-	-	ry of	Thy Name.

2. Just a thornbush, common, slight,
That God can make known in it
All His wonders and His might,
Miracles perform through it.

3. Not the bush that fuels the fire,
But 'tis God within alight;
From it, naught does God require,
But shines forth in glory bright.

4. God Himself within the bush,
Nothing seen but just the flame;
Make me that, just that, O God,
For the glory of Thy Name.
