2. O Golgotha! Good Golgotha!	5. O Golgotha! There Jesus' name			
I died there with my Lord;	Sufficed me in that war;			
His crucifixion has released	There Satan fled, for by that Name			
The burden I once bore.	I triumph evermore.			
3. O Golgotha! That empty tomb	6. O Golgotha! I praise Thee, Lord,			
Included me as well;	For death was suffered there;			
His resurrection too I share,	Released His life, redeemed my sins,			
I hear no deathly knell.	I'm freed into His care.			
4. O Golgotha! There Satan's hosts	7. O Golgotha! I want to learn			
Were by my Lord abashed;	All that indwells in Him;			
In His dear name that worldly king	By faith included in His work,			
Under my feet is smashed.	I'll stand now firm with Him.
