2. Life divine—oh, joy to know it!

Christ is life divine to me;
He's the consummated Spirit
Who has come to dwell in me.
Touching, moving, shining, teaching,
He's th'anointing soothing me,
Filling, drenching, and refreshing,
Me supplying inwardly.

3. Life of power—oh, what power!

Christ's the life of pow'r in me;
Crucified with Christ the Savior,
No more slave of sin I'll be.
With Him I've been resurrected,
I in Him and He in me;
Resurrection pow'r I've tasted,
Me supplying inwardly.

4. Life of vict'ry—oh, what vict'ry!

Christ's victorious life to me;
On the cross He won the vict'ry;
I'll no more a captive be.
Satan, demons, world, and passions—
He has conquered all for me;
Now His life of victory is
Me supplying inwardly.

5. Life of glory—power, vict'ry!

Life divine is Christ to me!
He gives vict'ry, power; gives me
Growth unto maturity;
To His image He transforms me,
Makes me all transcendent, free;
Till I'm raptured, glorified, He's
Me supplying inwardly.
