2. There is One in the glory—
 Victorious King is He;
 He conquered the foe, destroyed
 His authority.
 Broke Hades, ascended,
 Far above all rule,
 Now I'm with Him ascended,
 Victorious too.

3. There is One in the glory—
 My very life is He;
 Within me, each moment,
 He rules, guiding me.
 His nature, so holy,
 He's forming in me;
 His life full of glory,
 Expressing through me.

4. There is One in the glory—
 My very hope is He;
 He'll soon be returning
 And rapturing me.
 With His glorious power,
 He'll transfigure me;
 Then, from that glorious hour,
 E'er like Him I'll be.
