Holy of holies, from
The world He sanctifies.

4. Righteous of righteous ones,
In Him I stand each day.
He is the Strength of strengths,
Refreshing on the way.

5. He, as the Pow'r of pow'rs,
Renews with eagles' wings;
Vict'ry of victories,
O'er all my foes He brings.

6. Able of able ones,
My being He sets free;
He is the Might of mights,
In spirit strength'ning me.

7. He is the King of kings,
Who now reigns in my heart;
He is the Light of lights,
Illum'ning every part.

8. He is the Lord of lords,
He now lives in my heart;
He is the Way of ways,
Who every step does chart.

9. Healing of healings, He
Cures spirit, body, soul;
Wonder of wonders, He;
I'll share His glory full.

10. Hope of all hopes is He,
Drawing my heart above;
The greatest prize to me,
He guides my steps in love.

11. He is the Love of loves,
Worthy to be adored;
Patience of patience He,
Worthy of praise outpoured.

12. Greatest of all the great,
My adulations raise;
Glory of glories He,
Deserving all my praise.
