Chorus

2. Through the outer veil am I
Ent'ring Holy Place thereby;
I've gained all God's rich supply;
Hallelujah! Praise the Lord!
I at peace with God abide
Through the altar sanctified;
All that's not God, cast aside;
Hallelujah! Praise the Lord!

3. Inner veil I've passed apace,
Entered in the Holiest place,
Come before God's throne of grace,
Hallelujah! Praise the Lord!
Now before God I abide;
God's my home, where I reside;
Self no more does us divide,
Hallelujah! Praise the Lord!

4. I am now a priest to God
By the Lord's redeeming blood;
This position's mine for good,
Hallelujah! Praise the Lord!
Now in spirit I reside,
In God's presence, glorious, bright,
With no hindrance, day and night,
Hallelujah! Praise the Lord!
